**National Credit Union  
YOUTH WEEK  
April 18 - 24!**

We often hear that children are our greatest asset. So how can we help them build confidence in their financial future? One good answer is a savings account. By encouraging regular savings, you prepare kids to meet the demands of an increasingly complex financial world. A regular savings program helps teens and young children understand the basics of personal finance and the importance of building sound money management habits.

Join us during the month of April as we celebrate kids! Encourage your children, grandchildren, nieces or nephews to open a savings account this month. They'll receive a prize when they open an account and when they make a deposit. Plus, they can enter to win the grand prize for their age group! So come on - help kids get in the savings game!

## The New Facility

If you've been to the Credit Union recently, you can see that the parking lot is being transformed into the basement of the new building. It's a messy but exciting time!

We apologize for the reduced amount of parking and are doing what we can to maximize it for you, our members. Staff will be parking in neighboring parking lots to cut down on the congestion. Please drive carefully and watch for pedestrians during the building process.

We'll keep you up to date with drawings and progress as it happens! If you have any questions about the project, feel free to ask CU President, Chris Rockweit or any of our Board Members.

## 56th Annual Meeting Update

The 56th Annual Meeting of Fond du Lac Credit Union was held at 6:30 p.m. on March 18 in the Conference Room at Fond du Lac Credit Union.

Incumbents Neal Buck and Mark Vande Berg were re-elected for a three year term. The Board will appoint a replacement for the seat currently vacant due to a resignation. The person chosen will serve until the next election date.

If you were unable to attend the meeting and would like a copy of the information provided, please send your request by e-mail to [info@fdlcu.com](mailto:info@fdlcu.com) or call us at 921-1123.

## Summer Holiday Closings

Fond du Lac Credit Union will be closed

### Memorial Weekend Observance:

Saturday, May 29

Monday, May 31

(open at 8:00 a.m. Tuesday, June 1)

### Independence Day Observance:

Saturday, July 3

Monday, July 5

(open at 8:00 a.m. Tuesday, July 6)

## FDLCU Out & About in Our Community

In February Member Services Supervisor, Dawn Funk, went to Evans Elementary School and Redeemer Lutheran school to read to students as part of the **Leaders as Readers** program sponsored by the Fond du Lac Association of Commerce. Third graders enjoyed hearing the book "Everyone Knows I Have Delicate Toes".

Join us at **Walleye Weekend** June 11, 12 & 13 as we sponsor the band *Verona Grove!* Date and time are still to be determined, but it's guaranteed to be a fun-filled event!

Fond du Lac Credit Union is honored to have donated the front door for the next **Habitat for Humanity** house build commencing this spring. Habitat for Humanity does such wonderful things for our community, we just had to jump in and *open doors!*

Since its inception in April 2006, employees of Fond du Lac Credit Union have been on the steering committee and have participated in **Reality Day at Fondy High**. Reality Day is held once each semester, and we'll be there again on April 22 to share another dose of "reality" with the students!

## Looking for a Student Loan? Ask a Loan Officer at Fond du Lac Credit Union how we can help!

One day \$54.99		<b>\$32.00</b>
Two Day \$66.99		<b>\$52.00</b>
Kids 2 & under FREE		

Tickets sold to "members only"!

## Pre qualified or Pre approved? Know the Difference When House Shopping

Many steps go into shopping for a house. One is getting pre qualified for a mortgage. Fond du Lac Credit Union can help. Bring in a list of your creditors, monthly payments, and account balances, as well as current paychecks.

When you pre qualify, our loan officers can give you an estimate of how much house you can afford, approximate monthly payments, down payment and closing costs. However, don't confuse being pre qualified with being pre approved. In a pre approval, Fond du Lac Credit Union will formally assess your credit history, employment history, debts, gross income before taxes, and your spouse's income--if you're married, and any property or assets you own, rather than just informally review them the way we do in a pre qualification.

Being pre qualified or pre approved can make the difference in getting the house you're writing an offer on. Sellers are much more likely to accept an offer from a buyer who has financing in place. Stop in and see us or call a loan officer at 921-1123 today for all your mortgage needs. We'll help open the door to your new home!

## Thank You from the Bottom of Our Hearts!

February is the month credit unions around the state show their support for the Children's Miracle Network. Through the Chain of Hearts program, our Valentine Bake Sale, Employee Jean Days and the sale of World's Finest Chocolate candy bars, we were able to send a check to the Children's Hospital Foundation in the amount of \$1,404.24! Thank you from the bottom of our hearts to all who purchased a heart, link, baked goods or candy bars!

Our Hearts & Links chain stretched the entire length of the Credit Union office!
